

How different departments in Your Museum can participate in AMICO

- Registrars can streamline Rights and Reproductions for educational uses
- Educators get access image from other collections and share their interpretive programs with students across the country or around the globe
- Curators have in-depth contact to detailed collections documentation from other museums
- Your Librarian can use the AMICO Library as a public reference tool
- Your Systems IT staff will connect with the best in the business and develop strategies and solutions with peers
