

## AMICO Library Contents – Summary for 2000-01 Edition

- Approximately 65,000 works of art from over 30 leading museums
- Works by major European, American, and Canadian artists are included in the Library. Works range from contemporary art to Native American and Inuit art, from ancient Greek, Roman, and Egyptian works to masterpieces of Japan and China.
- The public site has all the works as thumbnail images, but this is only a taste!
- The Subscriber version of the AMICO Library has a catalog record and at least one still image, that displays up to 1024x768 pixels. Many works feature multiple views and further multimedia documentation. This documentation might include:
  - sound files
  - curatorial commentaries
  - video clips
  - conservation history
  - provenance data
  - scanned exhibition catalogs
